BOS BHARDWAJ

Overseas Services

We offer wide range of quality spare parts for earthmoving, mining & construction equipment.

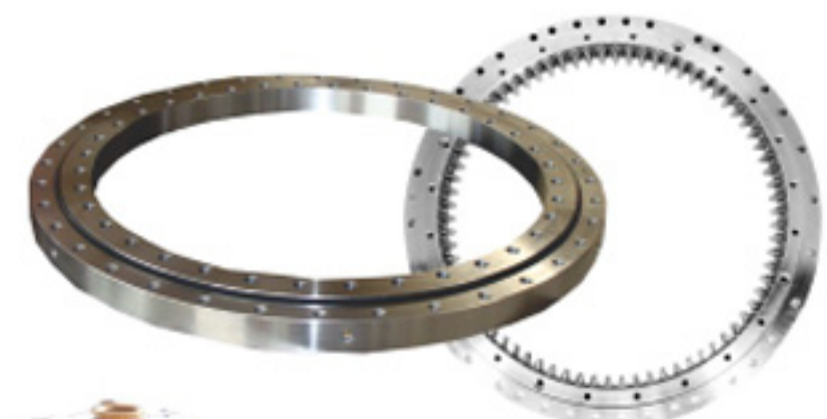

UNDERCARRIAGE PARTS

We offer ultimate range of undercarriage parts for a variety of equipment like Track Link Assemblies, Track Shoe Plates, Track Shoe Bolts and Nuts, Rollers, Idlers, Sprockets and Segments, Recoil Springs, Track Adjuster Assemblies and repair parts for all above; a complete range!

SWING BEARINGS & MOTORS

We carry a wide range of Swing Circle Bearings, Transmission & Travel reduction Gear Box parts, Swing Motors and travel motors etc.

HYDRAULICS

A diverse range of Hydraulic Parts and components which include complete pumps, their repair parts, valves, cylinder seals and kits, etc. are stocked. We also offer installation and support solution for replacing existing pumps units with new one.

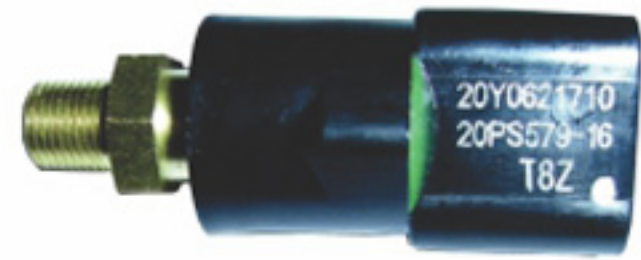

GROUND ENGAGING TOOLS

We offer wide range of tooth points, adaptors, side cutters, cutting edges, ripper shanks, filters etc., source among the best manufacturers in the world. Greater strength and higher resistance to wear and breakage determine the quality of ground engaging tools. These are the basic requisites to ensure economy and optimum value for money.

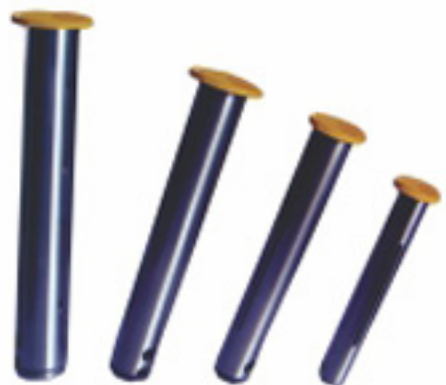

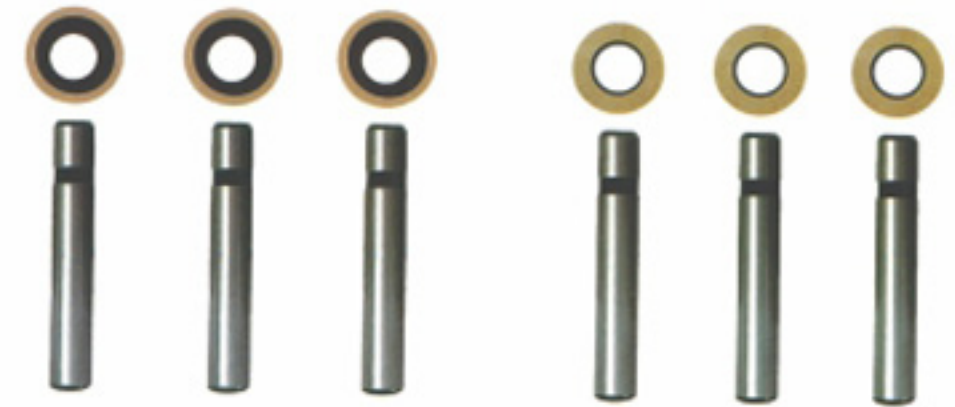

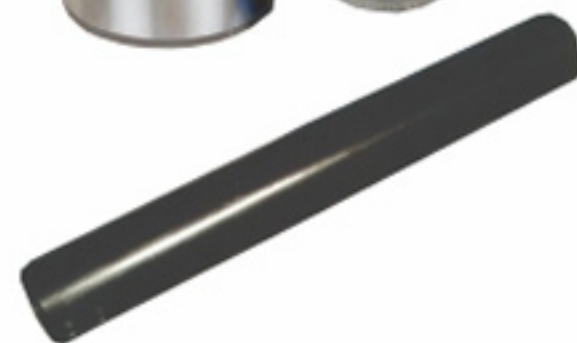

ELECTRICAL PARTS

We carry sensors, turbochargers, electrical parts etc. in our stock. We can offer the best value for money for starter alternators.

PINS & BUSHES OF THE STRUCTURE

Pins and bushes used in structure of the equipment (of the boom, arm, bucket etc.) are available in dimensional accuracy, most appropriate metallurgy and perfect heat treatment. These are made as per OEM standards with accurate dimensional suitability and most appropriate heat treatment.

SEALKITS

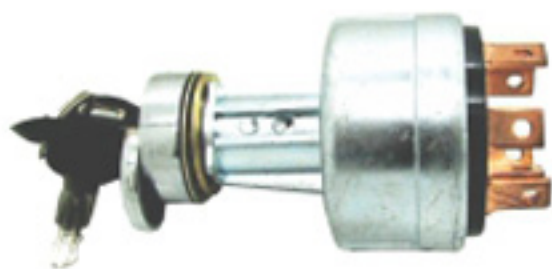

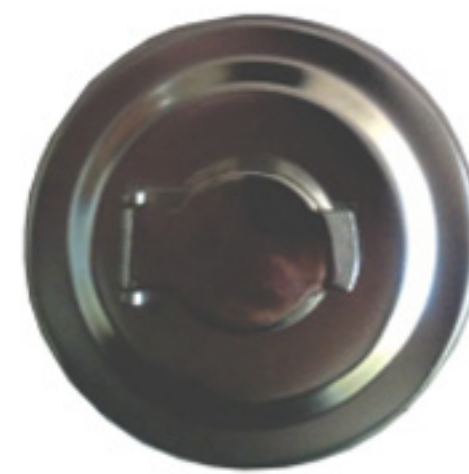

We have a wide range of sealkits for excavators and wheel loaders operating in extremely demanding mining and quarrying applications.

We also offer o-ring kits, boxes to suit requirement of different equipment.

ACCESSORIES

We import and stock a good range of parts and accessories like breather, cooler fans, fan belts, hydraulic tank cap, diesel tank cap, ignition switch, pressure sensor, relay, pilot lever and race motor etc.

ROCK BREAKER PARTS

With a large satisfied customer base across India, rock breakers and their parts supplied by us offer lowest cost of ownership, maintenance and output.
